

## **Would having the best auditors in the industry give you the time to focus on other priorities?**

Well, we have the best auditors and we can prove it.

### **How?**

#### **Consider this:**

- Quantum's auditors are full-time, drug-free and background-checked.
- They receive over 6% of QS revenue in the form of training and development every year.
- This means they save you time so you can be more effective.

## **How do we guarantee accurate counts and a fair price?**

#### **It's very simple:**

- Accurate counts depend on accurate auditors... using the best equipment, within the best audit system.
- To hire and retain accurate auditors a company needs to respect the employees, and provide them with:
  - full-time jobs
  - living wages and benefits
  - job stability and a career path
  - ongoing training and skills development.

---

**That's what we do.**

**That's why we can provide a 100% No Quibble Guarantee.**
